Richard Pugh, Mango Solutions, www.mango-solutions.com

David Smith, Revolution Analytics, www.revolutionanalytics.com

In the past two years the a number of local R User Groups (RUG's) have started or ramped up their membership. This panel discussion will focus on actual experiences:

- Building interest in your community
- The kick off meeting
- Finding speakers
- Finding sponsors
- Promotion tricks
- Organizational tricks & traps
- Joys of RUG'ing

Audience participation & questions will be encouraged!
